Mr. Bevagua,

As a resident of New York state for most of my life, I want to urge you to adopt a firm deadline for implementing Plan B+ for Lake Ontario & the St. Lawrence Seaway.

Our natural resources in New York are extremely valuable to myself and my family. We need to maximize the diversity of wildlife, so necessary to a healthy environment. This is why I urge to help ensure the quick passage of Plan B+.

I would greatly appreciate a written response from you regarding my concerns & wishes.

Regards

Martin Johnson
