

RECEIVED-UC  
MONTREAL COMMISSION  
SEP 15 1993

Dear Mr. Bérubé,

Please support the B+ plan for the  
St. Lawrence and Ontario Lake water  
ways.

We need to clean up the waters &  
plan for the future of our children  
to have electricity and recreational areas  
that are clean and not hurting the  
environment.

Janet Kolodzie
